

# Vocabulary Foldables for Collection #2

We will soon begin reading stories from the horror genre and these are some words that you will encounter in the text. Please complete a Frayer Model / foldable for each word (only two on each side of a sheet of paper) and turn in.

- |             |                 |                  |                 |
|-------------|-----------------|------------------|-----------------|
